Educational Success Grant Program

Educational Success Grants are awarded to Alpha Achievers for earning passing scores on Advanced Placement exams. Awards for passing scores on Advanced Placement Exams will be given after the student receives their exam scores from AP Services at the conclusion of the academic year.

Award amounts are as follows:

Awards will be made on a first come first serve basis until the budgeted funds are exhausted.

- AP Exam score of 5 - \$75.00
- AP Exam score of 4 - \$50.00
- AP Exam score of 3 - \$25.00

A student may apply for grants involving multiple exams. Each student can earn a maximum of \$150 in any academic year. If the number of applicants exceeds the available funding, the grants will be awarded on a first come first serve basis based on the postmark or time stamp of the application form. The application process consists of two distinct steps. The first step is the submission of the attached application form. This form is due by June 30th 2022. This form must be filed to be eligible for any Education Success Grant. The second stage of the process is when the student provides proof of successful completion of the AP exam. A copy of the exam scores provided by AP Services will suffice as proof of success. Awards for exam completion will be mailed upon receipt of the scores.
